Dear High School Senior,

Congratulations on all your hard work and dedication that has brought you to this point in the school year! As you consider your options after graduation, we want you to know there is a place for you at The State University of New York. In fact, there is still plenty of time to apply; most campuses will continue to review applications on a rolling basis, although a few have January deadlines. If you have already submitted your application to SUNY, we hope you can find time to visit campus in the coming months.

SUNY includes 64 campuses across every region of the state, offering 7,500 degree and certificate programs in virtually anything you could dream of studying. Degree programs at both two- and four-year schools are offered in many high-demand fields. From the community, technology, and comprehensive colleges to the research and university centers, SUNY is an extraordinary value, with more than half of students attending tuition-free. To learn more about which SUNY is right for you, visit suny.edu/whichtosun.

SUNY offers several opportunities to have your application fee waived for up to seven campus choices if you have financial hardship, are a military-connected student, are applying to the Educational Opportunity Program (EOP), are an AmeriCorps alumni, or are from a designated high school. Information on all fee waivers is available at suny.edu/feewaiver.

SUNY is committed to supporting our students through graduation, and this year we are implementing the nation's best retention and completion initiatives—called ASAP and ACE—at 25 SUNY campuses. We also offer EOP at many of our campuses, which can support your success in college with academic, advising, and financial support if you qualify. Learn more about these programs at system.suny.edu/student-success.

If you need any help with the process, please reach out to our Recruitment Response Center at 518.320.1888 or askSUNY@suny.edu. We hope you have a fulfilling senior year and look forward to seeing you on a SUNY campus in the fall!

Sincerely,
